iPad2 Features – FaceTime

“FaceTime lets you make video calls from your iPad 2 to someone else’s iPad 2, new iPod touch, iPhone 4, or Mac over Wi-Fi.4 On the big iPad display, it’s even more like you’re there in person. With just a tap, you can meet with students when you’re away from the classroom and collaborate with educators across the globe.” [<http://www.apple.com/education/ipad/#apps-for-ipad>]
