**If you didn't find what you needed
in the school library databases or
you just want more, consider try-
ing the online databases from:**

Howard County Public Library
(all research areas)
<http://www.hclibrary.org>
Go to "Research Databases" and use
your library card to log in and search
over a dozen databases all at once.

If you don't have a library card, you
can apply for one by getting an appli-
cation in the AHS media center.
When you fill it out, we'll send it in for
you and let you know when your card
arrives.

Thanks for using AHS Media Center.
Please stop by the Circulation Desk
and ask Ms. Collaboration, Mr. Part-
ner, or Ms. Zellner if you have any
questions.
