Frequently Asked Questions (FAQ’S)

1. **Where do I need to be and when?**

   You need to arrive in the Forum no later than 9:15. When you check in, you will be given your presentation time.

2. **What do I do when I’m not presenting?**

   When you are not presenting, you can practice your presentation with your group, watch other presentations (if you have already presented) or use any of the campus facilities. You are welcome to use the library and to bring along other work.

3. **Why can’t I watch all the presentations?**

   You cannot watch presentations until after your team has already presented. This is to prevent you from having an advantage by hearing the types of questions the judges are asking and giving you time to prepare for the same or similar questions.

4. **What do I need to bring with me?**

   A laptop and overhead projector are provided for the presentation. You need to bring along an electronic version of your presentations and any other presentation materials that you may have. You may also want to bring along other school work to work on when you are not presenting.
5. *What should I wear?*

Remember that you are presenting to the “Board of Directors.” This is your chance to impress the judges and show your professionalism. Therefore, dress appropriately.
