

## Bibliographic Citation Worksheet Online Subscription Database

As you identify sources and gather information from them, **also collect the important facts that describe that source for your Works Cited page or bibliography**. An online subscription database citation has two parts. Part 1 describes the original source, which is usually a print or an electronic resource (i.e. CD-Rom). Part 2 describes the subscription database used to retrieve the information electronically.

**Part 1: Varies depending on media format of original source (magazine vs. reference book). Include as many of the following as possible:**

**Choose the column that describes the original publication type of your article.**

<p><i>If original publication is a <b>periodical</b> (journal, magazine, newspaper), gather the following information:</i></p> <p><b>1. Title of original publication</b></p> <hr/> <p><b>2. Author of the article</b></p> <hr/> <p><b>3. Title of the article</b></p> <hr/> <p><b>4. Date of publication</b></p> <hr/> <p><b>5. Volume and/or issue number</b></p> <hr/> <p><b>6. Page number</b></p> <hr/>	<p><i>If original publication is a <b>book</b> gather the following information:</i></p> <p><b>1. Title of the book</b></p> <hr/> <p><b>2. Editor</b></p> <hr/> <p><b>3. Series title</b></p> <hr/> <p><b>4. Publisher</b></p> <hr/> <p><b>5. Publication date</b></p> <hr/> <p><b>6. Volume number</b></p> <hr/> <p><b>*If you are using a <u>article/chapter</u> within a book, also record:</b></p> <ul style="list-style-type: none"> <li>• <b>Article/Chapter title:</b></li> <hr/> <li>• <b>Author name(s):</b></li> <hr/> </ul>
